

Hello,

Central Kentucky Dance Theatre, the performing leg of **Central Kentucky Ballet Conservatory** and the regions only community-based ballet company, will be performing our third annual production of *The Nutcracker* on November 13, 2026, at the Otis A. Singletary Center for the Arts. With support from our friends and neighbors CKDT's past 2 performances of this classic holiday favorite were a huge success and we are so excited to bring Lexington this much-loved tradition once again!

To ensure continued success and to provide the necessary funding for a production of this scale, CKDT is selling ad space to be included in both printed and extended digital programs for CKDT's *Nutcracker*. The revenue earned from these sales will be used for stage décor and set pieces, guest artists and accommodation, professional costuming for our soloists, rehearsal space rental, and subsidized tickets for schoolchildren who otherwise couldn't attend.

Participating businesses will not just have the potential to reach up to 1,000 ticketed guests during our live show but will also be featured on our website and social media pages.

*****Support is not limited to local business advertisements!*****

If you'd like to include a congratulatory tribute or special dedication to your dancer(s) we'd love to help and special pricing is available.

Please see attached form for additional information and to place your order.
